CESA REPORT

2016-2017

OUR SOURCE OF STRENGTH & INSPIRATION

Hon Late Shri. Bhausaheb Santuji Thorat
Founder

(Amrutvahini Sheti and Shikshan Vikas Sanstha, Amrutnagar, Sangamner)

The vision, untiring efforts, multidimensional thinking of a humble farmer, freedom fighter, social worker and the doyen of co-operative movement Sahakarmaharshi Shri. Bhausaheb Santuji Thorat alias Dada laid the foundation of “Amrutvahini Sheti & Shikshan Vikas Sanstha” in 1978 at Sangamner. An altruistic vision and aspiration of Dada was to start and propagate the higher technical education to the students of rural area and create long lasting imprints of Sangamner. Over the years, Amrutvahini Sheti and Shikshan Vikas Sanstha has become an integral part of each and every employee. Dada used to say, “Since 1983 more than 10,500 students have completed their engineering /managerial education under the shade of Amrutvahini and have settled all over India right from Kanyakumari to Jammu-Kashmir and even abroad. Whenever they meet and tell me their success stories,, my heart fills with joy along with tears in my eyes.”

CIVIL ENGINEERING (Estd. Year 1983)

VISION OF CIVIL DEPARTMENT

To create opportunities for rural students to become able engineers and technocrats through continual excellence in engineering education.

MISSION OF CIVIL DEPARTMENT

Our mission is to Create self-disciplined, physically fit, mentally robust and morally strong engineers and technocrats with high degree of integrity and sense of purpose who are capable to meet challenges of ever advancing technology for the benefit of mankind and nature.

We, the management, the faculty and staff, therefore promise to strive hard and commit ourselves to achieve this objective through a continuous process of learning and appreciating of needs of time.

VISION OF CESA

Committed to serve the needs of the society at large by implementing state of the art Engineering education and research system, to provide knowledge to develop attitudes, skills values while establishing quality consciousness and demand driven, self-relevant centre of excellence.

MISSION OF CESA

To build a pool of trained and dedicated professionals who can contribute to the development of policies, measures and planning programmes for sustainable development.

From HOD's Desk.....

Dr. J. B. Gurav

It gives me immense pleasure to announce the arrival of our annual CESA report for the year 2016-2017. This report is a platform for all our students to put forth their creative ideas and skills I would like to hearty congratulate the report committee for the efforts that they have put into the report.

The aim of the department of Civil Engineering is to meticulously raise the standard of Department of Civil Engineering with sound technical knowledge, excellent soft skills and integrity towards work.

Our intension is to make efforts for the spread of technical education amongst classes and communities, which are socially and educationally under privileged. We develop the personality and character of students by value based education.

From the Staff Coordinator's Desk.....

Er. Chetan Kadlag **Er. Megha Kokate**
CESA Coordinator **IEI Coordinator**

Dear Students,

Our report is more than a mere photo album. It is the testimony of the proud moments we experienced during the academic year 2016-2017. It has reassured the record of student's extracurricular excellence. We wish passing our student's huge success and good health.

They may fulfill their ambitions and good citizens of country and also wish our present students success in their forthcoming examinations.

We thank to our Head of Department Dr. J. B. Gurav and Hon. Principal Dr. M A. Venkatesh for his kind supports. We thank CESA committee and IEI committee members who have brought out this report with great effort and we also thankful to entire Department of Civil Engineering for contributing to the student's event.

Dear Friends,

First of all we would like to thank all of you for electing us as governing committee of CESA and IEI student chapter. CESA and IEI works for the students to inoculate communication and development of generic skills.

We have conducted various events including guest lectures, Debate competition, Group discussion, Elocution competition, Extempore competition Quiz competition etc. which helped the students to flourish in their academics as well as extra-curricular.

We appreciate the hard work of our committee members who made each and every event a grand success also our dear friends of civil engineering department who actively participated in every event .We hope this chain of success continues for years and years making our teachers and department proud to their efforts on us.

Magazine Committee.....

Here is the small attempt to give information regarding our academic year 2016-2017 program. The magazine contains our whole year CESA and IEI student's chapter technical as well as non-technical events. Also we see in the magazine entire guest lecture arrange by our department to give information regarding recent techniques, competitive exams as well as enriching carrier opportunities in civil engineering fields. Finally we will see the performance of our department students plays in various extra-curricular activities in whole academic year. Lastly we hope that you all are happy to see this magazine. We wish All S.E. and T.E. Civil engineering family will always remember us, and we give best wishes to our next year CESA and IEI student chapter committee to make their academic year program with very grand success.

Thank You.....
