ABOUT THE SANSTHA

Honorable Late Shri. Bhausaheb Thorat, a leader of cooperative movement, a great visionary and philanthropist converted his thoughts into reality by creating educational and training facilities. For this, he has founded the Amrutvahini Sheti and Shikshan Vikas Sanstha in 1978 to provide education for poor farmer at his doorstep which boosted the socio-economic progress of the rural people.

ABOUT THE INSTITUTE

The institution- one of the few rural colleges has the coveted honor of accreditation from NBA and AICTE wing for quality assurance, New Delhi, in 2003. Continuing this trend of quality education, the institute has undergone to renewal of accreditation in year 2007 and 2012-13. The institute has received 'A' Grade from NAAC in the year 2015-16. The college has progressed in leaps and bounds and is undergoing a continuous process of improvement in all aspects of curricular and extracurricular activities. One can experience a polarization of facilities and resources of metro setting as well as peace, environment and true nature of the rural setting on this campus. Currently the institute is running eight undergraduate, five post graduate courses including MBA and PhD Research Centre in Mechanical Engineering.

VISION OF E&TC DEPARTMENT

To create center of excellence in Electronics & Telecommunication Engineering through continuous teaching and learning process for nurturing promising rural engineers.

MISSION OF E&TC DEPARTMENT

Our mission is to inculcate state of the art technologies in the field of Electronics & Telecommunication. To acquire professional skill sets in rapidly changing environment and to develop society oriented value based learning.

OBJECTIVE OF THE SEMINAR

Modern civilization depends on advances in communication and computing technologies. The application of electricity to communications with inventions such as the telephone and telegraph meant people could send information instantly over long distances. More recent advances such as satellites and the Internet have extended communications worldwide and made global news and information a common place. A recent advance using artificial intelligence has changed the perspective to see the world. Advances in communication technologies continue to improve with each passing year, bringing more help to the mankind.

The two days state level seminar on "**Recent Trends in Communication and Computing Technologies**" aims to explore the upcoming technologies.

KEYNOTE SPEAKERS

- 1. Dr. K. P. Ray**
Head and Professor, Defence Institute of Advanced Technology (DIAT), Pune
- 2. Dr. S. B. Deosarkar**
Professor, Dr. Babasaheb Ambedkar Technological University, Lonere
- 3. Dr. M. P. Abegaonkar**
Associate Professor, Centre for Applied Research in Electronics (CARE), Indian Institute of Technology, Delhi
- 4. Dr. Rajiv Gupta**
Professor, Dept. of E&TC, Terna Engineering College, Navi Mumbai
- 5. Dr. N. P. Futane**
Assistant Professor, Government College of Engineering, Avsari, Pune
- 6. Dr. Brijesh Iyyer**
Assistant Professor, Dr. Babasaheb Ambedkar Technological University, Lonere
- 7. Mr. Deepak Chopade**
Manager, Reliance Jio Infocomm Ltd (RJIL), Pune

WHO CAN APPLY?

Academicians, Research scholars and industry personnel can apply.

REGISTRATION FEES

A registration fee of Rs. 200/- per participant (which includes registration kit and lunch) must be paid through DD or online transaction. All payments must be made by account payee DD drawn in the favor of "Principal, Amrutvahini College of Engineering, Sangamner" payable at Sangamner, Tal: Sangamner, Dist: Ahmednagar (MS). Registrations will be confirmed on first come first serve basis.

HOW TO APPLY?

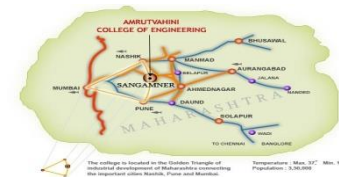

All participants are requested to submit dully filled registration form to the coordinators on or before February 10th, 2019. The participants should send scanned copy of application and receipt of registration fees through email. For more information, please contact us at:

hod.entc@avcoe.org

ACCOMMODATION

Accommodation facility will be provided on payment basis in the guest house of college on prior request of participants.

How to reach the Institute?

Nearby cities:

67 kms from Nasik, 150 kms from Pune and 250 kms from Mumbai
